To The Farmers and Merchants of Marion and Adjacent Counties.

We learn with much surprise and regret, that reports of a nature calculated to prevent those wishing to do so, from marketing their cotton, wool, etc. here, as heretofore are being circulated. Charges have been made that a combination of buyers near the close of last season was formed for the purpose of depressing the prices, especially of cotton. The object and purpose for which the Jefferson Commercial Club was organized is for the purpose of protecting the interest of the city, and no better way can this be done, than by protecting the interest of those who may favor us with their patronage. You are kindly informed that the anti-trust law of this state, positively and emphatically, prohibits two or more persons combining for the purpose of depressing prices of any commodity. This Club stands ready to see the law enforced, whenever any such combination is formed by any party or parties, and sufficient evidence is obtainable to convict. Complaints of short weights, when made to the Club, will be thoroughly investigated for that purpose. It is the purpose of the Club to see that no injustice is done any one.

Respectfully,
JEFFERSON COMMERCIAL CLUB.

J. H. Culbertson for County Judge.

In this issue of the JIMPLECUTE will be found the announcement of Judge James H. Culbertson, as a candidate for the office of County Judge, subject to the will of the people at the ensuing November election. Mr. Culbertson needs no introduction in Marion county, nor does his ability as a lawyer and eminent fitness for the business to which he aspires, require any comments at our hands, but will say if elected, no man will carry to the discharge of his duties greater advantages incident to a trained in logic as well as law. We take pleasure in tendering his claims to the earnest consideration of the voters.

The Ladies Aid Society will have a donation party for the benefit of the M. E. Church on ———— eve, at the residence of Mrs. Murphy Terry's. The donations will be made in money, to be used for the church. All members are earnestly requested to attend.

CHAPTER 2.

The much-talked of long looked-for Leap year dance, was given on the evening of last Friday, August 28th 1896, at the residence of Mr. and Mrs. Ed Meyer.

Reciprocation was the order of the day, and those who had been thoughtful in the past, were rewarded by solicitous anxiety for dances by the fair sex individually.

At about 10 o'clock the reversal of the usual order of things began. The music was divine; soft, low, sweet soul-inspiring, and the devotees of the divine art seemed to be, were such a thing possible, more graceful and ad attractive than ever.

The floral decorations were superb; such rare and dainty flowers, such tasteful decorating, such exquisite arranging and—why dwell upon its grandeur, words are at their best—but feeble, but doubly feeble are they in a description of this "affair de saison." Incomparable! magnificent!

Those upon whom grace was showered in being allowed to attend were:

Miss Lollie Meyer, (Joe Vines,

" Annie Meyer and W. Sims,

Lacy Lee Claiborne, (R. S. Terry, Jr.,

Miss Fannie Claiborne, (W. W. Jones,

" Joe Preston, (Hon. R. S. Hart,

" Mande Sims and Ed Ed Thomas,

" Bessie Hughes and Rev. A. McKay,

" Annie Mae Iler and M. Harper,

" Mabel Rogers and H. Spellings,

" Alba Foster and Terry Mason,

" Hortense Rives, (D. L. Wright,

" Carrie Bower and Clyde Northern.

At about one-thirty the participants departed bearing with them sweet remembrances.

FINIS.

J. L. Stutz for Tax Assessor.

We give in the proper columns the announcement of J. L. (Louis) Stutz, for the office of Tax Assessor of Marion county at the ensuing November election. Louis Stutz is no stranger to the votes of this county, he is a native Jeffersonian, being born and raised in our midst and is the son of one of Jeffersons pioneer merchants. Mr. Stutz deserves your support as he is an honest upright gentleman, and has ever shown himself to be worthy of the office he aspires to, and fully possessing the required ability, will discharge his duties creditably alike to all. In submitting his claims to the consideration of the voters, we trust they will remember him favorably.

The JIMPLECUTE arises to ask the cotton buyers and merchants if they intend to sit with folded hand and let a great part of the cotton of Marion county be taken to Vivian, La., and Atlanta, Tex., as the are said to give better price than Jefferson though there are reports to the contrary. Why not deny that the highest market price is paid here for cotton. We should not let those little towns out bid us and secure our cotton trade. Arouse before, two late!

E. L. Literary Work Aug. 28.

The League was called to order by Mrs. Ridley, and after the voluntary, "I'll sing the praise of Jesus" she read selections from the third and fourth divisions of Proverbs, which were appropriate to the last degree.

"Because he first loved me" was then sung, and the sentiment of this beautiful chorus piece put the minds of the devotional in a proper attitude to follow the devout prayer offered by Miss Carrie Mosley.

The 9th, 10th and 11th of September being the date of the Marshall District League conference at Hallville, it was best not to defer the election of delegates, only one however was elected, Ed McDonald, another will be elected perhaps at the next meeting of the League.

A special committee consisting of D. M. Smith, Miss Carrie Mosley and Mrs. Hale were appointed to report concerning the Hemphill quartet.

Mrs. Ridley began her catechetical exercises on a special League lesson, and on account of many thinking that the lesson was to have been called for at a future date the same was referred back to the League. "Only Jesus" was then sung, and Mr. Ed McDonald announced readings by Misses Maggie Harper and Eugenia Echols. Miss Harper's reading under the caption of "Difficulties as Helpers," imparted lessons in the most forcible manner. No receptive mind could have heard these lessons without regarding difficulties in our pursuits as offering the most friendly aid to all achievements and of being in themselves necessary to the development of our noblest powers. If everybody was rich the balance of the mankind would starve!

"The head and the heart" by Miss Eugenia Echols struck a key note on the subject of the culture, in harmony with which, every measure of life's music must be in perfect harmony if life is to rise to designed standard, and each one must accomplish the work for himself and herself, no conditions whatever can exonerate any from the universal law; to that law the wisest and the simplest must bow. Praise is due these young ladies for their prompt and efficient response to the call of duty to themselves and to the League.

Miss Maggie Harper's uniform and efficient leadership in the music serves the League at all times.

Bro. Smith called the League to close by repeating a doxology in concert.

It is gratifying to see the mineral spring on Mr. J. H. Culbertson's land near town. It was discovered by some wood choppers who dug it out for drinking purposes, and they spoke of it to other who noticed the good effect the water had, and Dr. Stalcup analyzed it and pronounced the water to be strongly impregnated with iron, magnesia and sulphur. The water is very beneficial for dyspepsia and other stomach troubles. It is situated above the railroad bridge (across the river) about half mile from the bridge, and has been fixed up very nicely. It is visited daily by a great many people from the city who use the water exclusively for drinking.

P. Eldridge has one of the largest and best selected stock of dry goods, notions, shoes, and groceries ever brought to Jefferson, which he proposes to sell as cheap as any house. Seeing is believing, so go and see for yourself. He buys goods as close as anyone and will sell them the same way. If bargains are what you are after go and see him and you will be pleased.

The sad news of the untimely death of John H. Morgan, which occurred at Waco, Tex. the 15th inst., was received with deep regret by his many friends here at his old home. He was the youngest son of Mr. W. J. F. Morgan an old citizen of this place, but now of Waco.

The sympathy of the entire community goes out to the grief stricken father, wife, and relatives, in this, their time of sorrow and bereavement.

The personnel of the League in its laying, as well as in its officials, will measure up to the highest standard and we may expect to hear much of its work both at home and in Jefferson, as Dr. Ridley informs us that he will endeavor to get the Jefferson and Kellyville Leagues to organize a union for the purpose of interchanging exercises. There is no doubt but that this result will be immediately procured and will inure to the mutual benefit of all concerned. Let the work go on.

Heart Trouble Quickly Cured.

A Convincing Testimonial.

MISS ELIA KURTZ.

"For 19 years I suffered from heart trouble. During that time I was treated by five different physicians. All of them claimed that I could not be cured. I was greatly troubled with shortness of breath, palpitation and pain in the side. If I became excited or exerted myself in the least, the pain in my side became very severe. At times it seemed as though needles were shooting through my side. Sometime in the month of November last, I commenced taking DR. MILES' HEART CURE and since then I have improved steadily. I can now sleep on my left side, something I had never been able to do before. I can walk without being fatigued, and am in much better health than ever before. I would recommend all sufferers from heart trouble to try Dr. Miles' invaluable remedy without delay."
